## Aero Consultants Introduces a Bold New Brand Identity at JEC World 2025

# Aero Consultants

Aero Consultants is introducing a new brand identity, marking a key milestone in its evolution as a leading supplier of composite materials, equipment, and services. The rebrand reflects the company's ongoing commitment to innovation, efficiency, and enhanced customer service; while maintaining the expertise and reliability it has built over 50 years.

More than a visual refresh, this transformation supports Aero Consultants' strategic focus on expanding inventory, streamlining operations, and strengthening service capabilities to meet the growing demands of the composites industry.

### **A Stronger, Unified Presence**

With its Head Office in Switzerland and a second location in the UK, Aero Consultants is aligning its brand across global markets to ensure consistency and cohesion. This rebrand underscores the company's mission to deliver industry-leading solutions and the exceptional service customers have come to expect.

### **See the New Aero Consultants at JEC World 2025**

Aero Consultants will showcase its updated brand identity at JEC World 2025, Booth G01, from March 4-6. Industry professionals are invited to visit the booth, explore innovative composite solutions, and learn more about the company's expanding capabilities.
